The Commercial Department of the Dordogne Tourism Board develops and markets tourist services to enhance the attractiveness of the destination. These general terms and conditions determine the conditions of sale and execution of stays organized by the Dordogne Tourism board (CDT24) on behalf of its clients.

INFORMATION

This brochure constitutes the preliminary offer referred to in the following general terms and conditions and binds the CDT24.

However, changes may naturally occur in the nature of the services. In accordance with Article R211-5 of the Tourism Code, if modifications were to occur, they would be communicated in writing to the client by the CDT24 before the conclusion of the contract.

LIABILITY

The liability of the CDT24 cannot be engaged in case of non-performance or improper performance of the contract due to the purchaser, an insurmountable and unforeseeable action of a third party to the contract, or force majeure.

RATE CONDITIONS

Group rates apply from 20 paying persons. The total amount due by the client is indicated on the quote. The selling price is the one in effect on the day of the order.

RESERVATION

The validity of the contract(s) is effective only after signature by the parties and payment of a deposit representing 25% of the price of the stay, returned to the CDT24 before the deadline indicated on the contract.

However, any telephone or written option is recognized by the CDT24 only as an expression of interest in one of its offerings. It does not constitute a reservation on their part.

The client acknowledges having read and signed the general terms and conditions of sale attached to this contract. Upon receipt of the balance, the reservation service will send the client one or more vouchers to be presented to the provider(s) during their stay.

PAYMENT

The client must pay the reservation service, upon presentation of an invoice, the balance of the agreed-upon service, one month before the start of the services (excursion, stay...), subject to compliance with Article R.211.6,10 of the Tourism Code, as well as the nominative list of group members sharing rooms. If the client has not paid the balance by the agreed date, it is considered as a cancellation of their trip. Therefore, the service is made available for sale again and no refund will be made.

Payments can be made by bank transfer or bank check.

Any amount not paid by the due date will accrue, without formal notice, interest at the legal rate.

In case of late registration less than 30 days before the start of the stay, full payment will be required at the time of booking.

ARRIVAL
